Shirley Lee to head First Homes rehab program

Shirley Lee has joined the staff of First Homes as a program officer.

Lee, an Oronoco resident, will administer the new Heritage Homes housing rehabilitation project for First Homes.

She previously worked as community services director at Three Rivers Community Action in Zumbrota, where she ran three transportation programs, served as director of senior services programs and staffed a transit advisory board for two counties.

Lee is a licensed social worker and holds a bachelor's degree from Winona State University.

First Homes is an initiative of the Rochester Area Foundation and is working to build 875 new starter homes for working families in a 30-mile radius of Rochester.
